

## Business in Lagos

€155,000

Ref: BPA147

**This good-sized split level shop with double frontage is found in the heart of the pedestrianised old town of Lagos.**

This shop is prominent within the retail area of Historic Lagos. With a large display window plus double glass doors this property maximises the opportunity for the display of wares and services. Once inside the shop is on two levels with an elevated rear floor offering greater vantage points for positioning of goods and promotional advertisements. To the rear there is sufficient space for a small open-plan office and storage facilities. Due to its positioning this property is an excellent opportunity for business creation in the year-round commercial environment of one of the Algarve's most vibrant towns.
