

5 Bedroom Villa in Lagos

€1,995,000

Ref: BPA1892

Fantastically positioned and beautifully designed villa with an exclusive hilltop position overlooking Lagos and boasting gorgeous sea views.

The property was completely refurbished by its current owners and offers both quality and comfort with a bespoke design to maximize indoor-outdoor living and the fabulous views. One enters the property via a substantial entrance gate, where a private drive leads up to a second set of gates, encompassing a generous parking area and the villa. Inside the villa, accommodation flows from the entrance hall to a large lounge with fireplace that leads seamlessly onto a wonderfully large covered patio with the most amazing views over Lagos and to the Atlantic ocean. The lounge also gives way to a bespoke dining area, which in turn is easily connected to the kitchen. The kitchen is modern and well equipped including an integrated GE American style fridge freezer, 2 DeDeitrich ovens, a steam oven, 2 plate warmers, microwave, coffee maker, dishwasher and a 144 bottle wine fridge; plus an informal dining area with a specially crafted granite table with seating for 10. From the kitchen one can access a fully equipped utility/laundry room. This level also offers a professionally designed cinema with a state of the art projection, sound & lighting system. The master bedroom suite occupies the eastern wing of the villa. The bedroom itself leads to a private terrace with superb views. A private hallway leads to a custom fitted dressing room, an en suite bathroom and a safe room which is also used as an office. The western wing offers 4 large guest bedrooms, all with
