Lovely 1 Bed Apartment, 1st floor, refurbished, located close to National Pantheon

Comprises: 1 living room, 1 bedroom with wardrobe and balcony, 1 modern bathroom, 1 equipped kitchen, 1 balcony. Alfama is the oldest and one of the most amazing districts of Lisbon. It is located on one of the seven hills of Lisbon, right below St. George's Castle. It could be best described as a village within a city made up of narrow streets, tiny squares, churches and whitewashed houses with wrought-iron balconies adorned with pots of flowers and drying laundry. Don't miss this excellent business opportunity for investment!
