

4 Bedroom Townhouse in Lagos

€375,000

Ref: BPA5049

A Spacious 4 bedroom Townhouse in a central Urbanization close to all amenities of Lagos.

This detached 4 bedroom Townhouse is set on three floors on an inclined plot with 2 entrances, 2 closed garages and a small garden, located in a central residential area, close to all amenities, beaches and Marina of Lagos. All the floors are connected inside by stairs and halls, yet with independent entrance doors for each level, allowing the property to be split into three independent units. The main accommodation is set on two levels that comprise a large living and dining area with a closed fireplace, a separate fully fitted kitchen, a small kitchenette, a pantry, a cloakroom, four double bedrooms and three bathrooms (two are en-suite). The basement has been converted into a large self-contained studio. All the rooms have direct access to various terraces in all directions. The property has double glazing, electric shutters, barbecue terrace, fireplace, two closed individual garages.
