

3 Bedroom Villa in Troia

€450,000

Ref: BPL1007

TROIA ECO Resort & Residences: An exclusive private condominium, integrated in the Natural Reserve of Sado Estuary, with 100 hectares of land, with a beach front of 2km providing residents and visitors perfect harmony with nature!

TROIA ECO-RESORT: all the infrastructures have been carefully designed in Ecological optics having as key principles: minimize impact, using materials with low ecological footprint, rationalize energy and natural resources, environmental monitoring for preservation of the local ecosystem and pursue certification under the system BREEAM (one of the most demanding international environmental certification methods). Situated on the Alentejo coast, Tróia is a paradise that combines the charm and natural preservation in a sustainable balance with leisure activities for the family. Less than an hour away from Lisbon, Tróia is a peninsula surrounded by three natural parks that enshrine the sea, beach and the mountains in a perfect combination. In balance and respect for the environment, you can enjoy a range of activities ranging from sports, culture and through the excellent gastronomic offer of the region. The Marina of Tróia, the golf courses, the beaches, the Casino and restaurants, gives you a good reasons to live in Tróia. ***Pine Villas*** - 14 Pine Villas to be Developed (Modular System) - Construction area: 130 m2 - Plots until 455 m2 (Near the river / Walking distance to the beach) - Intelligent architectural solutions (provided by renowned Architects) - Price From: 450.000€ - 500.000€ - Fractional Ownership: 165.000€
