

Plot in Budens

€150,000

Ref: BPA4208

Rustic land for agriculture near Budens and Boca do Rio.

This rustic land is used for agriculture having as main production Carob trees and Grape vines. There are also some Fig trees, Olive trees, a variety of other fruit trees and some vegetables. There is a licensed fence throughout the property, a borehole and electricity supply. From the borehole there is a water system installed to provide water to all the trees, spread through the land by underground pipes with taps allocated in strategic points.
