

5 Bedroom Villa in Bensafrim

€425,000

Ref: BPA5109

Charming traditional villa with garden and a pool set on a large land with a barn and orchard, located near Bensafrim and 10 minutes drive from Lagos and all amenities.

The land is fenced on all boundaries with road and neighbor, with three entrances to different sections giving access to the villa, garden and various mature fruit trees. Spread on one floor, the villa maintains the same Portuguese traditional construction containing 3 self-contained apartments with individual entrances and terraces. The main accommodation comprises a large living and dining area, a kitchen, 2 double bedrooms and 2 bathrooms (one is en-suite). The second apartment comprises a living area with a kitchenette, 1 double bedroom and 1 bathroom. The third apartment has two entrances and can have an isolated entrance from the main road. The accommodation contains a living and dining area with a kitchenette, 2 double bedrooms and 1 bathroom. Attached to the villa there is a barn with the same measures as the second apartment containing a large storage area, a laundry and 1 bathroom. There is another barn with a refurbished bread oven room and a raised cistern with two water tanks to store water from the borehole. These deposits provide, individually, water to the villa and the garden, There is a third independent water deposit to provide water to the orchard. The villa has been redecorated with new doors and windows, new plumbing and electric wiring throughout, terraces and side walkways with Santa Catarina's pavement. All apartments share a mature and well maintained garden with trees and flowering shrubs, water feature, covered BBQ and outdoor dining area and a raised terrace with a kidney shaped pool and sun loungers area.
