

Plot in Lagos Centre

€250,000

Ref: BPA5130

Lagos historical center: unique opportunity to purchase an urban plot with a design to rebuild a townhouse in the center, just 5 minutes walk from the town and all amenities.

There is an architectural design for this plot already prepared: the ground floor level will offer a large living room on the street side, the open kitchen and dining room will lead to a nice west facing patio. The first floor will host 3 bedrooms with built in wardrobes and 2 bathrooms (1 en suite). The master bedroom will overlook the historic old walls. Additionally, there will be a fantastic large storage room / laundry that is accessed from the patio and a roof terrace with amazing views over the city. This is a unique opportunity to acquire a great position property where you can build a house with the details to match your taste and life style.
