

3 Bedroom Apartment in Lagos Centre

€900/week - €2,100/week

Sophisticated, new apartment with a relaxing, south-east facing balcony overlooking the pool, high-speed Wi-Fi, and within walking distance of Marina, beach and Lagos old town.

This top floor property has been beautifully finished with special attention to the selection of the art, design, colours, and comfort. We especially love the spacious balcony with both lounging and dining furniture overlooking the pool terrace.

The balcony is accessed from the open-plan kitchen-dining-living area with large patio doors filling the space with light. The living room has a smart TV and the kitchen is fully equipped with the latest Bosch appliances and a wine fridge to hold your favourite Portuguese wine from the wineries in the neighbouring towns or from the wine shop next door. It is also ideally suited to work virtually with the high speed WiFi along with each room being hard-wired with ethernet connection.

There are 3 bedrooms to sleep 6 (max 4 adults): the master bedroom with king-sized bed and an en-suite bathroom with jacuzzi bath; the 2nd bedroom also has a king-sized bed; and the 3rd bedroom has a sofa-bed along with a workspace. There is a shower-room to serve bedroom 2 and 3.

Other features include air-conditioning throughout the apartment for cooling and heating, underfloor heating, integrated sound system, electric window blinds, electric BBQ, washer and dryer,
