Charming village house with courtyard and studio in Figueira

This beautifully rebuilt village house, tucked away in the heart of Figueira, offers a unique mix of charm and versatility across two floors—with the added bonus of a private courtyard and a separate studio. As you step inside, you're welcomed into a cosy open-plan living and dining area, full of character with its lovely wooden ceiling and warm atmosphere. The space flows effortlessly out to a generous courtyard—partially covered, so you can enjoy it all year round, whether you're soaking up the sun or relaxing in the shade. Back inside, off the entrance hall, there's a good-sized fully equipped kitchen and a guest WC. Upstairs, you'll find the spacious main bedroom with a walk-in wardrobe, en-suite bathroom, and a sunny south-facing balcony. The high ceilings give the room a great sense of space and light. The separate studio, accessed from the courtyard, already has a kitchenette installed. It's a flexible space—perfect as a home office, creative studio, or it could easily be converted into a guest suite, as the plumbing and electrics for a bathroom are already in place. A lovely home with bags of character, in a quiet village setting. Viewings are highly recommended to really feel the charm this property has to offer.
