A Rare Penthouse Hideaway in the Heart of Old Town Lagos

Hidden in one of the most charming corners of the Historic Centre of Lagos, this exceptional penthouse offers something almost impossible to find today: Complete privacy, silence, light and space, right in the middle of the city. While most apartments in the historic centre are compact, dark and overlooked, this home feels open, calm and effortlessly elegant. The atmosphere is closer to a boutique hotel or a private Mediterranean retreat than a traditional old town apartment. Positioned on the top floor with elevator access and only one neighbouring apartment on the same level, the property enjoys a rare sense of exclusivity and tranquillity. Fully renovated in 2019, the apartment combines soft Scandinavian tones with warm natural textures, oversized windows and beautifully balanced living spaces filled with sunlight throughout the day. The 30 sqm terrace becomes a true outdoor living room above the rooftops of Lagos, private, peaceful and completely free from overlooking neighbours. Everything Lagos is known for is just outside your door: vibrant restaurants, cafés, small plazas and the beach only a few minutes away, yet the apartment remains remarkably quiet. This is not a typical Algarve apartment. It is a rare lifestyle property for buyers searching for privacy, design, calmness and authenticity, in one of Southern Europe's most desirable coastal towns. B&P Real Estate Agency is the Western Algarve's leading property specialist, selling a property every two days on average.
